

WESTCHESTER UNITED

Connecting Communities,
Taking Action

Roughly 70 people came out to Westchester United's November Leaders Gathering. We heard how through our efforts to protect kindergarten, reduce gun violence, and find jobs on the Tappan Zee Bridge, Westchester United has engaged the Speaker of the Assembly, the Attorney General, The Governor and the NY Times. Not bad for an organization celebrating its two year anniversary. This progress, of course, wouldn't have happened without Westchester United's base of our supporters, so thanks!

We also announced that in one month, our Individual Donors Campaign has raised \$11,500. Our goal is to raise \$50,000 - \$70,000 which will go towards additional staff and recruitment, training, travel, and program costs associated with all our efforts.
